Sir,

This has reference to the proposal for laying of a new pipeline of varying sizes (i.e.700mm/500mm/400mm Dia) along the length from Km.486+500 to Km.497+600 on LHS in the subject project stretch, under AMRUT Mission.

2. In this regard, the Competent Authority of NHAI has directed that, the said work shall be executed by KWA through their Contractor, rather than through NHAI's Concessionaire and the same shall be carried out under the strict supervision of Concessionaire/IE/PD.
3. Hence, KWA shall be requested to apply for utility laying permission in the MoRTH NOC Portal (www.morthnoc.nic.in) at the earliest, for further processing of the subject proposal.
4. The same is issued for kind information and further necessary action.

Thanking you,
