Sir,

Sub :- Intimating the progress of work

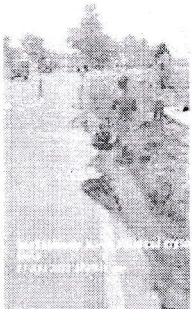

Project (s) :- WRD005-128-04(WRD005-128-project1-Comprehensive and RWSS to Kollengode and adjoining panchayaths - Replacement of 300mm AC clear water gravity main from Meenkara Kalikkavu OHSR to Kollengode OHSR with 300mm DI K9 pipe)

In the above work pipeline work has been completed and the line has been charged. The road restoration works are under progress. The GSB & WMM work has been completed. As the severity of rain has decreased , the PWD/Police/Public are pressuring to complete the BM & BC work urgently. So I request you to give permission to complete the work urgently.

I hereby attach the photographs of the road restoration works & WMM Final Field levels.
