HD	
HC	28/10/23

From
Secretary to Government

To
Managing Director,
Kerala Water Authority.

Sir,

Sub: WSS to Ramanchady - Aligarh in Malappuram District - Construction of weir - Entrusting the work to Irrigation Department - Request to issue direction to irrigation Department - Reg

Ref: 1.Your letter No.KWA/JB/P-1/1057/KIIFB-2017-18-PART-10 dated 19.04.2022
2.Letter No. W6/12299/2021/D'appl dated 12/07/2023 of the Chief Engineer, Irrigation and Administration.

I am to invite your attention to the reference cited and to inform you that as per reference 2nd cited CE (I&A) has informed that the additional details/clarification related to the subject work had already been submitted to Chief Engineer IDRB and the approved general drawings were provided from IDRB for checking the site feasibility of the project. After checking and confirming that the drawings can be adopted as per field realities, DPR of the subject work shall be prepared and submitted for Administrative Sanction.

In this regard direction was given to CE (I&A) to prepare and submit the DPR of the subject work for Administrative Sanction within one month positively.
