No. KWA/PDK/DB2/172/2018

Date: 18.10.2023

UNDERTAKING

1. Kerala Water Authority hereby undertake that we will take up the option of shifting of electric post to the extreme edge of right of way in consultation with KSEB authorities, so as to maximise usage of earthen berm and thus leading to minimum cutting of tarred surface.
2. KWA hereby undertake that KWA shall restore right of way as per MoRTH specification after completion of work.
3. KWA shall Undertake the life long maintenance of the pipe line laid along the road and assure that any leakages that may occur to the pipeline in future will be rectified and the road will be restored back to the original condition as per the MoRTH specification by KWA itself.
