Sir,

Sub :- Permission to provide water supply to households from Arattupuzha Bridge to Pattazhy Market junction.

Ref:- Your application ROW no.1054256/61289

Vide the above ref. cited, application is received for cutting permission to provide water supply to households from Arattupuzha Bridge to Pattazhy Market junction. As it is not possible to assess the alignment of existing water pipe line, in the requested stretch and as per the attached drawing along with the application. It becomes inevitable to excavate the existing carriageway. As the road is under DLP, it is prohibited to give cutting sanction in tarred portion as per the direction given by CEO vide letter no. PWD 004-52 MISC-01 dtd: 16/09/22. This is for favour of information and further necessary action.

Yours faithfully
